Memorandum.

With reference to the Chief Secretary's remarks on letter No. 184 of the 25th May 1891 from the Deputy Commissioner of the Mysore District and in obedience to the personal instructions given to me on the general subject of applications by Govt. Officers for permission to acquire lands within the Province, I respectfully beg to submit that the form of statement prescribed by clause 8 Rule IX of

the Land Revenue Rules relates to lands already in possession of Officers and to those which may hereafter come into their possession by inheritance or upon the division of undivided family property, and is evidently intended for record in this office. No forms is prescribed under Clause 7 of the said Rule for applications for permission to acquire lands by purchase &c., but the particulars required by Notification No. 245 of the 10th February 1887 are being furnished by some of the Officers.

These

These particulars are of course embodied in the form prescribed by clause 8 except as to whether the land to be newly acquired is Government or Inam, and the valuable consideration if any, in each case. As it is desirable that the Government should know the value if any, paid for the acquisition of land by its Officers, and as there may be doubts as to the existence or otherwise of the Notification dated 10th February 1887, No. 245, especially after the

the issue of the Rules
under the Land Revenue
which supersede all previous orders
Code, the Notification
may be republished
under Clause 7, Rule IX,
with the slight addition
shewn in pencil as
to the Survey Number
of the field to be acquired.
If this is approved,
I would respectfully
beg to suggest the following
addition being made
in Clause 8 of Rule IX
to enable Government
Officers to submit final
Statements in connection
with the lands newly
acquired by them by
purchase &c., for
record

record in this office.

Between the words
"undivided family"
and "they will" occurring
in line 5 clause 8 of
Rule IX of the Land
Revenue Rules issued
under Notification No 150
of the 22nd July 1890, read
"or by purchase, mortgage,
"transfer or by any
"other means whatsoever
"in accordance with
"the permission obtained
"under clause 7 above,"
